### **Pre Review All vs. Pre Review:**

Department Coordinators are able to pre review all forms in the sub departments to which they are assigned. As outlined in the Assignments section above, the Pre Review function can also be assigned for individuals or for sub departments to other administrators. If you would like to pre review all forms, even those for which pre review has been assigned to someone else, select “Pre Review All”. If you wish to only pre review the forms which have not been assigned to someone else, select “Pre Review”. Note for both modes, once a form has been released for certification to the Certifier, and the certification is complete, only a summary screen may be viewed.

### **Getting Started (2 options):**

1. Select the numeric link under Pre Review “Pending” for the Current or Delinquent Reporting Periods.
2. Any forms listed under “Effort Forms Pending Pre Review for the Current Reporting Period” are ready to be Pre Reviewed. ## (4) Certify

Note, that as the Department Coordinator, you will likely not certify any forms (other than your own). If it is necessary to certify someone else's form, you will have to assign yourself as the Certifier for that person. Also, in order for you to access an effort form in Certify mode, the effort form must have been Pre Reviewed, or assigned to "No Pre Reviewer". After you have assigned yourself as Certifier and the Pre Review is complete, you will be able to access the effort form through the Certify menu option or the Status/My To Do List.

### **Getting Started (2 options): Option 1 –**

Click on the name of the employee you are certifying to access the effort form. You may only access forms in the "Effort Forms available to Certify" section.
