***“Research with Impact!
Dissemination and Implementation (D&I) Science to Inform
Clinical Care and Prevention Strategies: from Data to Action”***

Presented by

Fadia T. Shaya, PhD, MPH

Professor and Executive Director, Behavioral Health Research Team
Data and Implementation Science DatAction!
Director of the Center on Drugs and Public Policy
University of Maryland School of Pharmacy
Director, ICTR Dissemination & Implementation Core
Co-Director, ICTR Informatics Core, University of Maryland, Baltimore

In this talk, Dr. Shaya will present cases of D&I in clinical and translational research, in the context of drug prescribing, and substance use prevention. She will showcase success stories and dissemination products. She will present translational science methods, including rigorous needs assessment, data sourcing and analysis, dissemination of findings and as well as strategies for supporting successful implementation in clinical and public health practice.
