

Now Hiring Life Safety Technicians

**A federal work study position supporting the Office of
Emergency Management and Office of the Fire Marshal**

Life Safety Technicians will learn to:

- Support emergency preparedness training, exercises, and responses.
- Analyze lessons learned from emergencies.
- Perform life-saving safety inspections for equipment and facilities.
- Develop and provide Stop the Bleed and fire extinguisher training.
- And much more!

Students eligible for Federal Work Study are encouraged to apply.
No experience necessary.

Please email your resume to:

Laura Cathcart: LCathcart@umaryland.edu

Andrew Roberts: ARoberts@umaryland.edu
