

Global Photo Contest

What does global engagement mean to you?

You are encouraged to submit up to three photos for the UMB Center for Global Engagement photo contest to celebrate International Education Week Nov. 18-22. Submit your photos that capture the essence of global engagement, whether you are an international student studying at UMB, involved in a globally focused course on campus, conducted research abroad, studied overseas, or engaged with international communities in Baltimore or elsewhere in the US.

Let us know what global engagement means to you and help us highlight the many ways the UMB community thoughtfully engages with the global communities at home and overseas, in person and virtually.

Submission deadline is November 4 at 11:59 pm.

The top photos will be showcased at a reception on November 20 in the SMC Campus Center. Winning photographers will receive a prize and have their work hung in the hallway of the Center for Global Engagement. Other photos may be used online and in print publications.

- Photos must be in their original digital file (no social media or screenshot photos).
- Photos can be full-color or black and white photographs
