

Locating and Downloading the Copilot Chat App

Microsoft Copilot Chat is available as an app for use on Smartphones. The instructions below detail how to locate, download and sign-in to the Copilot Chat app.

For iOS:

1. Open the **Apple App Store** on your iPhone.
2. Search for "**Microsoft Copilot**" in the search bar.
3. Find the **Microsoft Copilot (Your AI Companion) *** app in the search results and tap on it.

Note – There is also a *Microsoft 365 Copilot* app. That app will give you access to your Microsoft 365 tools and files.

4. Tap **Get** to download the app.
5. Review and grant permissions if prompted

For Android:

1. Open the **Google Play Store** on your Android device.
2. Search for "**Microsoft Copilot**" in the search bar.
3. Find the **Microsoft Copilot (Your AI Companion)** app in the search results and tap on it.
4. Tap **Install** to download the app.
5. Review and grant permissions if prompted

Signing In to the Copilot App

1. Open the **Copilot App** on your smartphone.
2. Tap **Continue with Microsoft** on the welcome screen.
3. Enter your UMB email address and password and tap **Sign In**.
4. Follow the DUO prompt to authenticate.

Once signed in, you can start using Copilot to assist with various tasks like writing, generating images, and answering questions.
